ABOUT THE EYES

Your eyes are subject to as many different defects as the body is to deformities. Whereas it should be one of the most perfect organs of the body. It is natural that you should need glasses for reading, writing sewing and other close work. Between the ages of 40 to 50, a perfect eye should need glasses at this age to relieve them from the strain when used for close or near work. Many young people need glasses early in life to relieve the various forms of eyestrain, which is the cause of 75 per cent. of all headaches. Just think: It has been proven by eminent authorities that 3 people out of every 4 that have headaches have defective eyes. Glasses are the remedy, because they CORRECT the DEFECTS. When properly fitted there is no eye strain. When you get ready to be relieved of these headaches or see me. I make a specialty of correcting eyes where others fail. Satisfaction guaranteed, or money refunded. My references are those that I have relieved.

RAGE OF ROUMANIANS

Is Rampant Against the Jews—Thousands of the Chosen People Have Been Driven From Home

Vienna, March 21.—Jews are fleeing by the thousands from Roumania, fearing for their lives on account of the peasant revolution in that country, according to direct advices from the Roumanian border.

Hundreds of Jews have been mobbed and driven from their homes, many being killed or brutally treated.

Houses and Jewish shops have been burned and buildings looted.

Scores of Russians, it is reported, have crossed into Roumania, inciting the peasants to revolt.

All possible aid is being given by the Austrian authorities, who are allowing them to come into this country.

Remedy in His House

"We could not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W. W. Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand and ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system. This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by all druggists.

LOVE AND REVENGE

Ashland, Ky., March 20.—Two murders and an avenger made an outlaw are reported as the result of one man's act at Hellier, Ky.

In an old village in Southern Virginia, Frank Dutton and Alcene Rose met and loved, an elopement followed. Sam Rose, brother of the girl, followed them to Hellier, where in a pistol duel he killed Dutton and almost immediately after was himself shot by Elias Dutton, brother of Frank, dying beside his sister's doorstep.

Dutton took to the mountains and a posse is in pursuit.

HEALTH IN THE CANAL ZONE

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama canal. Many are restrained however by the fear of fever and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influences with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by Tydings & Co., druggists. 50c.

ACCIDENT IN ALABAMA

Birmingham, Ala., March 21.—The lining of the new furnace of the Woodward Iron Company, at Woodward, which has been undergoing repairs, fell in this morning. A large number of men were at work upon the lining and they were buried beneath the hundreds of tons of brick and mortar. Up to noon today five bodies had already been taken from beneath the debris, and it is believed that many more were still to be taken out.

NOTICE TO OUR CUSTOMERS

LOUISVILLE EXPOSITION

The Greater Louisville Exposition at Louisville, Ky., opened yesterday. President Roosevelt started the machinery by touching an electric button in the White House, a thousand miles away.

ALICE ROOSEVELT'S WEDDING was something to be recorded in the annals of history. Herbin has been acknowledged the greatest of liver regulators. A positive cure for biliousness, headaches, constipation, chills and fever, and all liver complaints. J. C. Smith, Little Rock, Ark., writes: "Herbin is the greatest liver medicine I have used. It has cured me. It does the work." Sold by the Anti-Monopoly Druggists.

JACKSONVILLE TO TAMPA

The Southern Bell Telephone Company has finished and opened its line from Jacksonville to Tampa.

LOST AND FOUND

Lost, between 9:30 p. m., yesterday and noon today, a bilious attack, with nausea and sick headache. This loss was occasioned by finding at Tydings & Company's drugstore a box of Dr. King's New Life Pills, the guaranteed cure for biliousness, malaria and jaundice. 25c.

TEDDY'S OPENING TALK

At the Jamestown Exposition Will be On the Railroads—Wall Street Anticipates it With Anguish

Washington, March 21.—On April 26 the president will make a speech at the opening of the Jamestown Exposition. It is his present plan to make a few remarks pertinent to the railroad situation, saying either new things or old things in a new way.

It is pretty certain that Wall Street will again become "jumpy."

LISTEN

and remember the next time you suffer from pain—caused by damp weather—when you head nearly bursts from neuralgia—try Ballard's Snow Liniment. It will cure you. A prominent business man of Hempstead, Texas, writes: "I have used your liniment. Previously I was suffering from rheumatism and neuralgia. I am pleased to say that now I am free from these complaints. I am sure I owe this to your liniment." Sold by the Anti-Monopoly Druggists.

FELL ON THE CHILDREN

San Antonio, Texas, March 21.—A special from Torreon, Mexico, says: Nine persons, eight of them school children, were instantly killed and many others injured at Durango, Mexico, by the collapse of the roof of the public school building, while the forms were crowded with pupils. The dead included one of the teachers and eight members of her class.

Scores were buried under the wreckage and debris, and there may be additional deaths, as many of the victims are dangerously hurt. The teacher's body was pinned beneath a heavy rafter, and it was evident death had been instantaneous.

AFFLICTED WITH RHEUMATISM

"I was and am yet afflicted with rheumatism," says Mr. J. G. BaByne, editor of the Herald, Addington, Indian Territory, "but thanks to Chamberlain's Pain Balm am able once more to attend to business. It is the best of liniments." If troubled with rheumatism give Pain Balm a trial and you are certain to be more than pleased with the prompt relief it affords. One application relieves the pain. For sale by all druggists.

Two negro women were lynched near Stamps, Ark., yesterday. They had assaulted and perhaps fatally wounded two white women.

No matter how old the sore or ulcer is, this salve will cure it. For burns, scalds, cuts, wounds or piles, it's an absolute cure. Guaranteed by Tydings & Co., druggists. 25c.

THOMAS BAILEY ALDRICH

A BABY

should be sunshine in the home, and will be if you give it White's Cream Vermifuge, the greatest worm medicine ever offered to suffering humanity. This remedy is becoming the permanent fixture of well regulated households. A mother, with children, can't get along without a bottle of White's Cream Vermifuge in the house. It is the purest and best medicine that money can buy. Sold by the Anti-Monopoly Druggists.

NO INDICTMENT AGAINST MRS. WALLAU

New York, March 21.—No indictment against Mrs. Lettie Wallau, who was charged with having caused the death of her mother, Mrs. Ida Binge, was found by the grand jury. As the jury in its investigation of Mrs. Binge's death did not consider the evidence sufficient upon which to base an indictment, it is regarded as probable that the charge against Mrs. Wallau will be dropped.

GIVEN UP TO DIE

E. Spiegel, 1204 N. Virginia Street, Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians, who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Why not let it help you? Sold by all druggists.

WANTS THE WHISKY

A Peoria, Ill. firm wants to buy out the stock of liquor that closing the dispensary has left on the hands of the state of South Carolina.

"In 1897 I had a stomach disease. Some physicians said dyspepsia, some consumption. One said I would not live until spring. For four years I existed on boiled milk, soda biscuits, and doctor's prescriptions. I could not digest anything I ate; then I picked up one of your almanacs and it happened to be my life savior. I bought a fifty-cent bottle of KODOL and the benefit I received from that bottle all the gold in Georgia could not buy. In two months I went back to my work, as a machinist, and in three months I was well and hearty. May you live long and prosper."—C. N. Cornell, Roding, Ga., 1906. The above is only a sample of the great good that is daily done everywhere by Kodol for dyspepsia. It is sold here by the Anti-Monopoly Druggists.
